

Israel: arrival and departure protocol

Travel to and from Tel Aviv

Participants are expected to make their own travel arrangements for both outward and return journeys and to make their own hotel reservations.

Within **10 days prior to flying to Israel**, you need to fill in [the Israel Entry Form](#). Please also check the instructions from your airline regarding COVID-19 travel requirements.

Arrival at Ben Gurion Tel Aviv airport

After disembarking from the plane, please scan your passport at the biometric stations and receive a printed blue pass.

- If your entry requires a visa, you cannot use the biometric machine. Present your travel document with visa to personnel at the red counter (on the right-hand side of the machines) to receive the printed blue pass.

Present the printed blue pass at passport control and proceed to the luggage claim area and customs.

- An RC72 information desk will be located right before the hallway towards passport control. Participants who have sent their passport numbers in advance may go directly to baggage claim.
- Please keep the blue pass with you, as it may be required for hotel check-in and/or by passport control when departing from Israel.

After baggage claim, you will find the RC72 reception desk in the arrival hall (near Exit 24). Staff will assist you to arrange transport to your hotel and lead you to your shuttle.

Transfers to the Hilton, Tal, Herbert Samuel and Orchid hotels, which have been booked through the selected hotel programme, will be ensured on Saturday 10 September, Sunday 11 September and Monday 12 September.

- To facilitate the organization of transfers, participants were requested to indicate their flight details and booked hotel accommodation in the attendance form.

Travel note

To facilitate entry and departure security screening at the airport, participants received a travel note from the Israeli Ministry of Health. Please keep this travel note with you when travelling.

Departure from Tel Aviv

If you wish to get a transfer to the airport, please contact the transportation desk at the RC72 conference venue (for opening times, please check www.rc72tlv.com or at the venue).

- Please note that transfers will be arranged on 14 and 15 September only.

Make sure to arrive at the airport at least 3 hours ahead of your flight.

- Passengers flying from Terminal 3 with hand luggage only, who have checked in online (web check-in) or at the self-service machine at the airport, and who hold a boarding pass (either in printout form or on their mobile phone) may go through the designated security checkpoint sector – Area W.
- Please note: some airlines do not issue boarding passes online or at the self-service machine. Passengers with such airlines and those with luggage to be checked in will go through the normal security sector assigned to their airline counters.

We wish you smooth and safe travels!
